## CONNECTING CHILDREN WITH SENIORS IN FRIENDSHIP

**WHEN:** Fall/Winter 2020-2021

**WHY:** Let's help connect our youth and young adults with our senior singles, our home bound elderly who can't make it to church, and those in assisted living or in nursing homes.

**HOW:** Write a letter, a poem or draw a picture, include a photo or an interesting article, perhaps even two or three interview questions they can write back the answers to-our older generations have much to offer our youth!!

**WHO:** The youth and young adults of our parish along with those who would like to participate and be included.

**WHERE:** Your parish office has the addresses and Philoptochos can keep track of who is interested on both sides. If the chapter wants to go further they can purchase stationary, pens or markers and stamps

Therefore encourage one another and build each other up, just as in fact you are doing. - 1 Thessalonians 5:11
